Precious Husband O' mine:

Am sending you the letter I told you about. Have nothing new to write except I love you new, — so much! Don't you know whether that is new or not. Wish you were coming home to-night. Expect I'll see you to-night. Barney & Nell are going to Rae's to-night and wanted me to go along but would rather go with my husband on Sunday. You will surely be home to-morrow night, won't you. I'll meet you at your mother's house.

Lovingly
Frances.
